Information for Contributors

1. Society & Change is a double blind peer reviewed multi-disciplinary quarterly journal of the Organization for Social Development and Research (OSDER), edited in collaboration with Netinsearch International (Network for Integrative Research) and published by Osder Publications both in printed and online versions.
2. The journal is dedicated to promoting the study, research and analysis of the issues related to society including social change and development from the perspective of different disciplines.
3. Articles for publication should be written in English within 6,000 words typed 12 point Times New Roman font with a short abstract within 250 words in one paragraph followed by keywords identifying the most important subjects covered by the paper. The manuscript should be prepared in "MS Word".
4. Authors must submit an introductory page with the title of the article and authors' names, academic degrees, professional titles, affiliations, mailing address, telephone number, email address as well as the title of the article.
5. Any one internationally recognized system of reference and footnoting should be followed.
6. The articles published in the Society & Change do not necessarily reflect the opinions of the Journal's Editor, Editorial Board, OSDER, Netinsearch and/or the Publisher. The author is solely responsible for the content and the views and opinion expressed in any article.
